

American Lincoln Part

American Lincoln Part - Presently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. Within the industry they are recognized within the industry as providing strong and durable machines that suits the requirements of heavy industry and larger infrastructure. Products made in America; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These types of scrubbers are on the market under the brand name "Encore". American Lincoln could supply parts, warranty service and machines for these scrubbers which carry both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like Wal-Mart and Target. The 7765 line has earned the respect of many facility supervisors where results and efficiency matter. Lately, this floor scrubber model has been used by the architects in different construction projects like for example Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this particular sweeper scrubber on location because of the model's supreme performance level and excellent quality for polishing concrete.
