

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than 60 years combined experience with effectively developing, marketing, manufacturing, designing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are dedicated to providing top quality and new design concepts in order to meet the diverse needs of their customers.

TREK Cleaning Machines always offers fresh design concepts as proven in their product development. They enjoy providing products that energize both their dealers and their partners and provide production gains to their customers.

The TREK team of employees enjoys new tasks and new challenges. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and needs together with their understanding of cleaning applications, along with owners' strong desire to dramatically lessen cost through productivity gains.

When required, the workers within TREK and its several dealer members in both parts and in technical support would be accessible. One of their core values is their high service commitment in their customer service. Keeping their clients' cleaning equipment working and ready day by day is top priority. The company's top of the line technology delivers dependable equipment that eventually reduces your cost of cleaning. The service, the product and the price all work together to make them an industry leader.
